Billing Procedure Information

The billing for Dr. Huntsman (Huntsman Orthopaedic Surgery and Sports Medicine), Dr. Dalling (Dallco Orthopaedics & Sports Medicine) and Dr. Mennear (Mennear Orthopedics) is performed by a 3rd party billing company, Physician Management Services. Within 30-60 days of your office visit or surgery, the billing team will submit your claim to the insurance company that we have on record for you. Your insurance company will then process the claim. Once our billing company receives payment or notification of nonpayment, they will issue you a statement for the amount you owe. This process can take up to several months depending on your insurance carrier.

Some things you can do to ensure a proper and timely billing process:

- Verify your address with the front desk when you come for your appointment.
- Verify and update (when necessary) your insurance information with a copy of your card.
- Pay any copay at the time of your visit.
